

## EDUCATION

**Texas A&M University**, College Station, TX

May 2026

- **Bachelor** of Science in Computer Science; **Minor** in Mathematics; **GPA**: 3.68

## EXPERIENCE

**IT Intern for Lavner Education**, Rice University

June 2023 - August 2023

- Leveraged knowledge in HTML, CSS, Python, C++, Java, and JavaScript to assist in full stack project development: websites, applications, and a variety of games.
- Actively worked to effectively debug code and resolve software problems.

## PROJECTS

**AI4ALL, Discover AI, AI for Resume Enhancement**, Python

- Used supervised machine learning to train our resume reviewing model. Created stemming function to clean resumes prior to them going through the model. Function used tokenization, term frequency, inverse document frequency, and TF-IDF multiplication to reprocess the resume.

**Personal Website**, HTML and CSS

- Features include navigation bar, back to top button, links to each project in my GitHub portfolio, contact information, and downloadable versions of both my traditional resume and expanded resume.

## ACTIVITIES

**AI4ALL**

February 2023 - Present

- Collaborated with my group to create a working model that reviews resumes. Used supervised machine learning.
- Actively participated in AI ethics debates. Learned how to make and use basic machine learning algorithms.

**Aggie Coding Club**, Texas A&M University

August 2022 - Present

- Attended weekly career chats with relevant companies, such as Google, Meta, Microsoft, Amazon and more.
- Learned basics of web scraping, GitHub, web development, and more through weekly workshops.

**Aggie Competitive Programming Club**, Texas A&M University

August 2022 - Present

- Developed technical coding skills and competed in local competitions.

**LeetCamp**, Texas A&M University

August 2022 - Present

- At weekly sessions, collaborated on common interview questions to solve them efficiently and effectively.
- Gained deeper knowledge of data structures and algorithms in preparation for technical coding interviews.

## SKILLS

**Proficient:** Java, C++, Python, and Microsoft Office

**Familiar with:** JavaScript, HTML, and CSS

## LANGUAGE

**Proficient:** Spanish

## LEADERSHIP

**Math UIL**, Bridgeland High School

*Number Sense Captain*

August 2021 - May 2022

- Instructed students (40 plus) and proctored tests to determine the team for the District UIL Competition.

*Number Sense Co – Captain*

August 2020 - May 2021

- Created practice tests, lessons, and study materials in preparation for the Math UIL District Competition.
- Encouraged and prepared fellow students (40 plus) by facilitating study sessions.

**Mu Alpha Theta**, Bridgeland High School

*Senior Council Officer*

August 2021 - May 2022

- Utilized experience and knowledge of position to advise and guide future officers.

*Competitions Manager*

August 2020 - May 2022

nicholasmatias@tamu.edu
